This useful fitness tool accurately measures body fat weight and percentage in 7 seconds.

Fat Loss Monitor
M.107B

This useful fitness tool accurately measures body fat weight and percentage in 7 seconds.

Ready Or Not Tot Asian
M.108A

The Ready-or-Not Tot® Baby Simulators effectively demonstrate how demanding and time-consuming parenting can be. Perfect for use with teenagers or expectant parents, these lifelike, newborn-size manikins offer a variety of programme settings that simulate an infant's varying needs and require immediate response. The programmed events are unpredictable to the user-showing that a baby's needs do not always follow a set schedule-but are easily monitored by the facilitator, who has complete control of the childcare experience.
